PeliLuxe®

Dekoratif UV laklı Paneller Decorative UV Lacquer Panels

PeliLuxe laklı paneller ileri teknoloji ve özel proseslerden geçirilerek melamin kaplı mdf veya yonga levha üzerine UV lak uygulaması ile elde edilen dekoratif panel ürünümüzdür.

PeliLuxe laklı panellerde ister standart dekor, isterseniz de tasarımlarınızı uygulayabileceğiniz dijital ortamlarda oluşturduğunuz desenlerden de üretim yapılabilmektedir.

PeliLuxe laklı paneller 183 cm x 244 cm ölçülerinde parlak yüzeyli olarak üretilmekte olup, mekanlarınıza, yaşam alanlarınıza şıklık ve estetik katmaktadır.

PeliLuxe Lacquer panels are decorative MDF or Chipboard Ultra High-Gloss panels which have been produced with advanced technology, special processes and with the application of UV Lacquer on the surface of the panels giving the panel a mirror effect.

PeliLuxe UV Lacquer panels may have solid colors, standard wood & stone/ marble designs as well as digital images of your own choice on the panel surface.

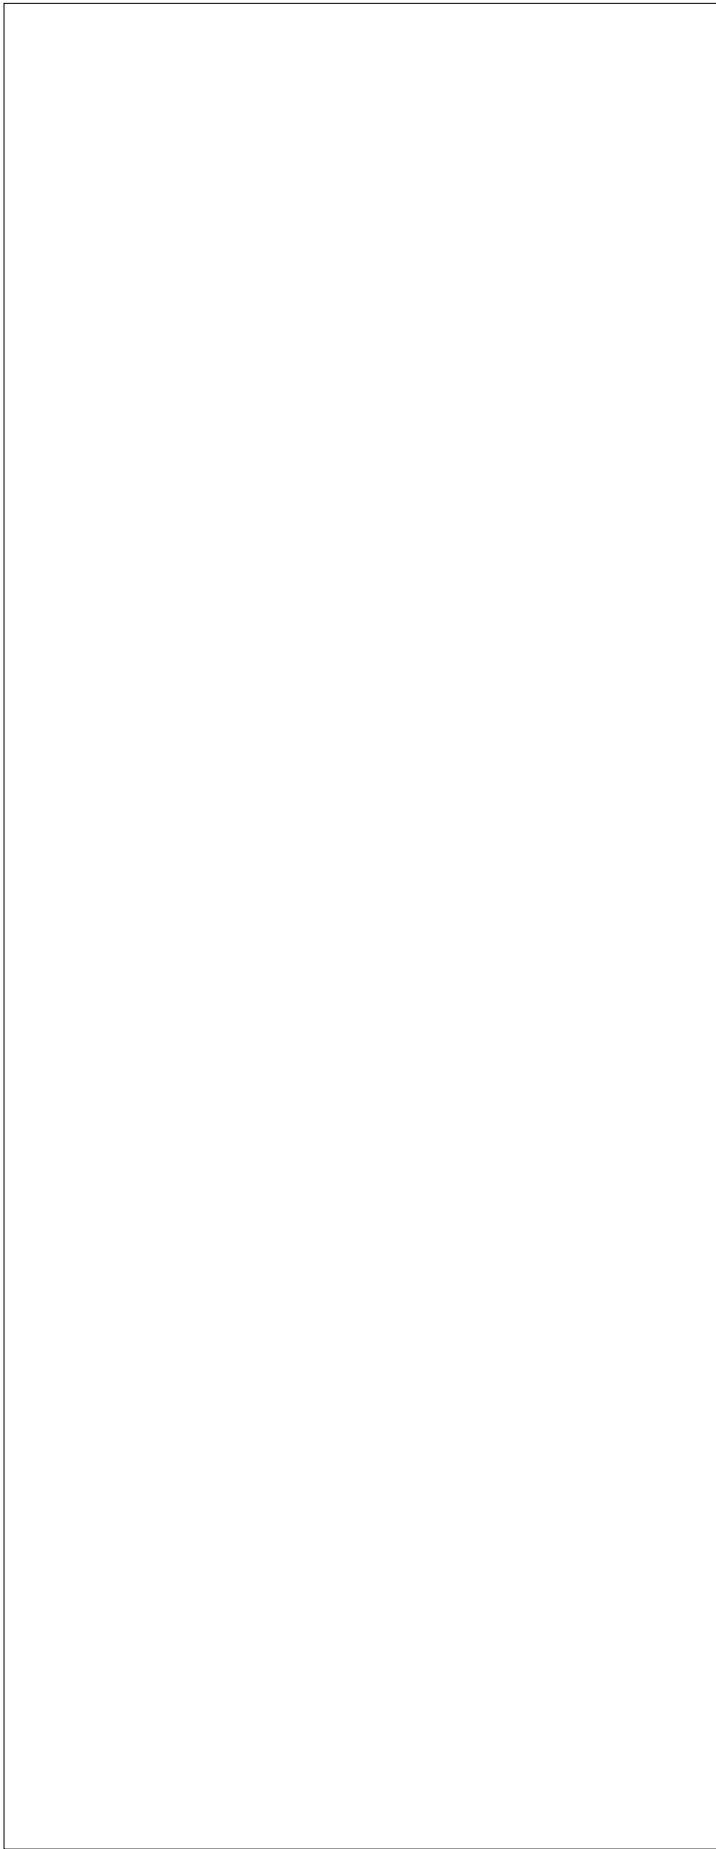

PeliLuxe UV Lacquer panels are produced with Ultra High-Gloss finish at 183 cm x 244 cm dimension, adding elegance and aesthetics to your sites.
